Re: 2012 Rockdale County, Georgia, Payment in Lieu of Taxes

Dear Mr. Helfers:

I am sorry for all of the confusion concerning CSC's property taxes in this initial year of your company's tenure here in Rockdale County. We are proud to have you and your plant as a part of Rockdale County and want to make your decision to locate here a positive one. The Board of Assessors and my office are in the process of amending your 2012 tax bill #150582 to properly reflect the value of the property that CSC owns. The corrected bill will be mailed shortly.

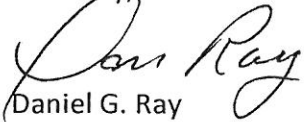

It is my understanding that you have agreed to pay the county portion of the bond indebtedness and the school system's maintenance and operations tax levy. The school system has no bond debt. Therefore, as per the September 1, 2011 Pilot Agreement with Rockdale County, and as prescribed in "Section 2 Taxes and Payments in Lieu of Taxes", the following "payment in lieu of taxes" for 2012 is calculated as follows:

Net Fair Market Value of the Equipment owned by the Authority =	\$10,132,120
Assessed Taxable Value:	$\$10,132,120 \times 40\% = \$4,052,848$
County Bond Payment:	$\$4,052,848 \times .00024 = \972.68
School M&O Payment:	$\$4,052,848 \times .02450 = \$99,294.78$
Total Payment in Lieu of Taxes:	\$100,267.46

Please make the check payable to the Rockdale County Tax Commissioner and mail it to my attention at P. O. Box 1497, Conyers, Georgia 30012.

Once again, thank you for making Rockdale County your manufacturing plant's new home. We look forward to a long term relationship that will be beneficial to all parties involved.

Sincerely,
