Jennifer

Please consider this e-mail an Open Records Request.

This request is similar to the recent requests I've made, but I have expanded the date for this request.

I would like to see all of the meeting agendas and meeting minutes for all staff meetings Chairman Oden has had with Department Heads and Directors from January 2012 through December 2012.

I would also like to see all of the interoffice memos sent from Chairman Oden to Department Heads / Directors and employees from January 2012 through January 2013.

If it's too much of a burden to e-mail the requested documents to me, I can plan to be at the BOC Office at 9am on Monday, February 11th, 2013.

Thank you and I look forward to hearing from you soon.
